

An Encyclopaedia for Radiographic Presentations of Black Working Class Strikes in American History
from 1900 - 2020 - Ensemble Analysis and Practical Ensembles of Black Forms

Read as 4 phases with Grouped as Main Dynamic And Sub-Dynamics Listed.
A Radiography is when one lists a Year and studies this form.

Example - 1917 A with 2021 B

A Union of these two forms - Grouped and Group Dynamic in two periods gives the radiography - Chinese Shanghai Commune style in India, leading to stretched stone pelting in Detroit as praxis against the enemy, which has a position of cello movement combined with jazz experimentation in debate.
